ArumBlack's User Page

I'm going to try to figure out this wiki thing and post some of my work here. Wish me luck.

Stock Projects

MB SID

I'll try to dig up some pics of this, my first midibox. it is currently being cannibalized for other projects.

MB SEQV3

Under Construction.

MB FM

Under Construction.

## User Projects

MB6582

Under Construction.

My User Projects

Balanced I/O Board

Status: Schematics and breadboard testing. SSM2142 output driver tested. Currently developing schmatic that will support a few different pin compatible balanced line driver and reciever IC's.
