## Phunk's MB Wiki Page

## Introduction

Hey, my name is Alex and I am based in Munich / Germany. I've started my first MB project many

years ago with a MB16 based controller and a PIC burned by TK himself

I discovered ucapps.de while playing with my very first softsynths (Creamware Pulsar) looking for gear to control them.

## **Projects**

soon to come...

## **Bulk Orders**

Albs Waldorf Knobs 2011 Bulk Order
