hi

you can see most of my projects on my website www.io-sound.org and follow our music colective new productions viewing our page www.colectivodrone.org

PROJECTS:

-Having a system

-Ilego an endless perpetuated, badly founded research for the perfect DJ/multipurpose controller

http://farm4.static.flickr.com/3280/2656784096_c86c67025e_m.jpg

-A “home etch friendly” version of the CORE, drawn in Kicad
