

MIDIBox AY 3 8912 Mixer

- OP AMP Mixer (Tone ABC) for the MIDIBox AY 3 8912 (Ver. 1a)

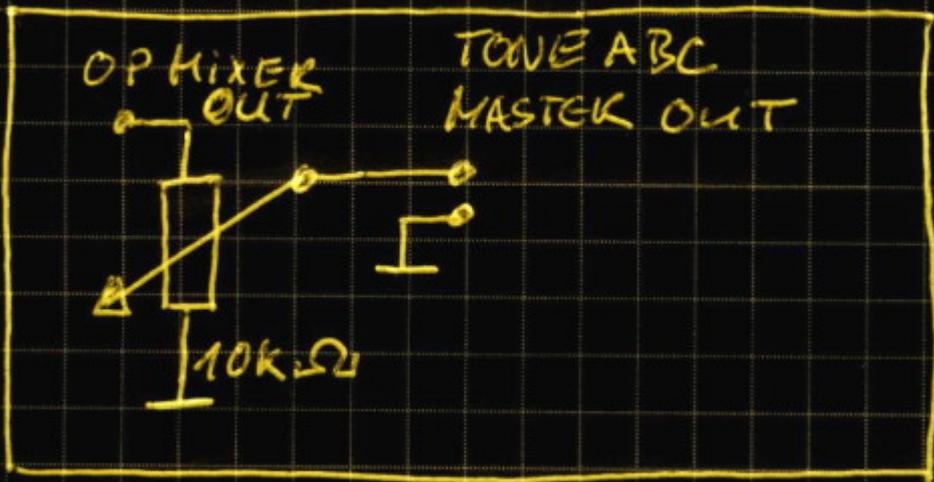

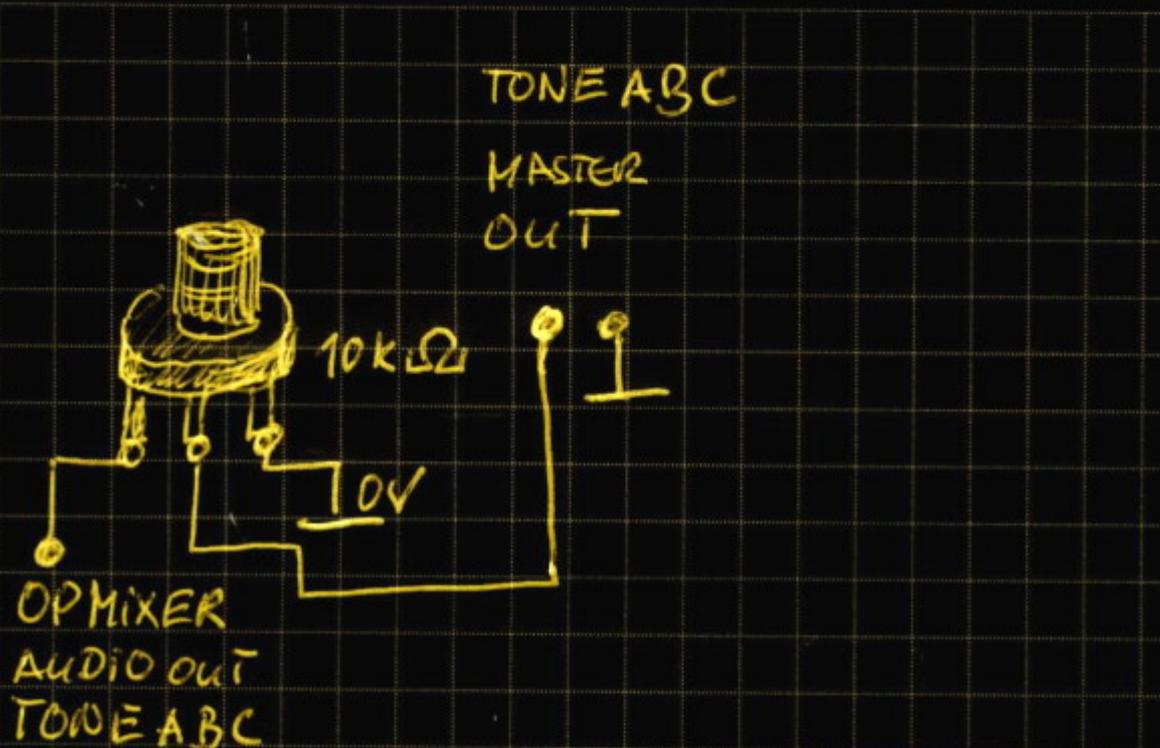

MASTER VOLUME POT

MIDIBOX AY 3 8912

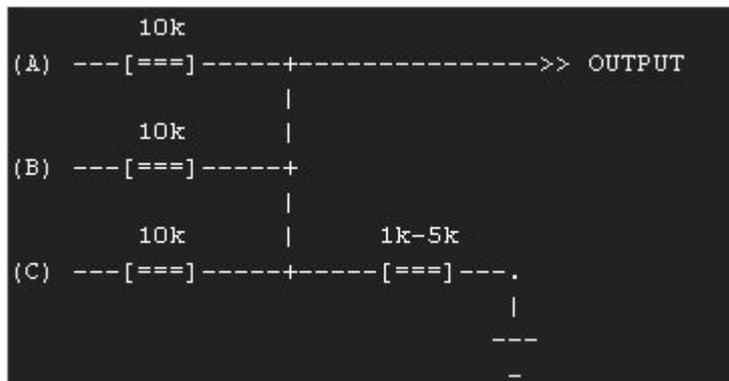

Lemouhose
07.09.2008

.....

No OP MIXER Option

Notice: "You can easily leave out the opamp buffer board for testing. Just connect all three outputs via 10k resistors and add a pulldown of 1k-5k from that signal to ground." (nILS Podewski, 2008-10-02)
