

If there is enough demand, I might also arrange for the 4x20 red/black LCD and a set of ~120 red LEDs (i.e. for people wanting to make one "just like mine"). Otherwise, you can order the LCD directly and get the LEDs from SmashTV.

## ORDER LIST

**People are welcome to add their username and quantity to this list, but you must register on the MIDIbox forum first**

**REMEMBER THIS IS FOR AUSTRALIANS ONLY, IF YOU ARE NOT AUSTRALIAN YOU MUST PM ME AND GIVE A GOOD REASON WHY I SHOULD INCLUDE YOU**

Username	Set of switches	Set of rotary encoders	Set of red/black knobs	4x20 red/black LCD	Set of red LEDs
