

If there is enough demand, I might also arrange for the 4x20 red/black LCD and a set of ~120 red LEDs (i.e. for people wanting to make one "just like mine"). Otherwise, you can order the LCD directly and get the LEDs from SmashTV.

ORDER LIST

People are welcome to add their username and quantity to this list, but you must register on the MIDIbox forum first

REMEMBER THIS IS FOR AUSTRALIANS ONLY, IF YOU ARE NOT AUSTRALIAN YOU MUST PM ME AND GIVE A GOOD REASON WHY I SHOULD INCLUDE YOU
